ENTRIES TILL 11:00 A.M.

ARTISTIC ARRANGEMENTS SPONSORED

BY

JACARANDA GARDEN CLUB

Coffee for early arrivals.

D. U. DONALDSON MEMORIAL FUND
HIBISCUS OF THE YEAR

A modified D. U. Donaldson Memorial Fund and Hibiscus of the Year Award plan was adopted by the members at the Annual Membership Meeting in Palm Beach. Each member in attendance at the membership meeting has been mailed the minutes of the meeting which includes the detailed plan. There are copies available thru the Executive Secretary's office if any of the other members would like a copy.

In brief, a hybridizer will receive a prize of a $500.00 savings bond if there is enough money in the fund to purchase it. He must agree to supply enough wood to make 30 plants of his seedling after it wins the best seedling of a show. These 30 plants will be used to finance the plan and as give away plants at our membership meetings.

At each show there will be 15 tickets offered for sale at a cost of $3.00 each. The purchaser will receive a plant of the show seedling winner as soon as it is available. He will also have a chance to win a plant of the Hibiscus of The Year to be given away at the annual membership meeting. As an example, suppose *"Confetti"* wins as the Hibiscus of The Year. The persons who bought tickets will already have a plant of the Hibiscus of The Year. All tickets that were sold at all of the shows will go in the pot at the 1970 annual meeting and the remaining (15) plants of *"Confetti"* will be drawn for. Some of those who purchased a ticket for a *"Confetti"* may win another. The extra fifteen plants of the other seedling winners will be used as give away plants at the meeting. The members in attendance at the meeting will all be eligible to win in this drawing even though they did not purchase a ticket.
